I. POLICY

It is the policy of HealthWest to require all contracted Providers to maintain demographic, clinical service, and support service documentation which comply with HealthWest standards for content, signature, authentication, and timeframes.

II. PURPOSE

The purpose of this policy is to assure all records of persons receiving services are routinely maintained in a manner which facilitates appropriate and coordinated care and meets requirements for reimbursement.

III. APPLICATION

All contracted Providers of HealthWest.

IV. PROCEDURE

A. Network Development staff will assure contract/Provider Manual includes requirements for compliance with applicable standards including but not limited to Medicaid, MDHHS Service Standards, HealthWest Policies and Procedures, and the Department of Health and Human Services Requirements.

B. Designated HealthWest staff will monitor compliance as defined below.

Note: HealthWest may delegate to its TJC, CARF, or COA-accredited affiliates and providers the responsibility for compliance and monitoring of their subcontracted Providers including Licensed Independent Practitioners, and may require the use of HealthWest methods/tools.
