### I. POLICY

It is the policy of HealthWest for all contracted Providers to be in compliance with all applicable Federal, State, and local laws and the Michigan Department of Health and Human Services rules and regulations for credentialing and re-credentialing.

### II. PURPOSE

The purpose of this policy is to assure that all contracted and subcontracted Providers of HealthWest comply with all applicable, Federal, State, and local laws, and the Michigan Department of Community Health rules and regulations for credentialing and re-credentialing.

### III. APPLICATION

All contracted and subcontracted Providers of HealthWest.

### IV. DEFINITIONS

- A. Credentialing – process by which HealthWest assures that Providers meet and maintain required criteria in order to be accepted as a Network Provider. This process is currently being done by the Lakeshore Regional Entity.
- B. Re-credentialing – process by which HealthWest assures that Providers meet and maintain required criteria in order to continue as a Network Provider. This process is currently being done by the Lakeshore Regional Entity.

### IV. PROCEDURE

- A. HealthWest will assure the credentialing and recredentialing process of all members of its Provider Network include completion of the Certification of Debarment, as well as requirements for compliance with other Federal and State licensing requirements for certification, licensure, or registration. Verification of licenses and certifications for the Provider Network will be done using the State of Michigan's Department of Health and Human Services website, as well as through the U.S. Department of Health and Human Service's Medicare and Medicaid Sanctions and Reinstatement Report and the U.S. Department of Health and Human Service's National

Practitioner Databank (NPDB). All contracted and subcontracted Providers of HealthWest will credential Providers according to the requirements of the HealthWest Credentialing and Re-Credentialing Requirements Policy, No. 02-026.

**B. Requirements and Monitoring:**

Monitoring of compliance is identified in the chart below. Written communication regarding a decision will be given to the provider no later than 90 days after the receipt of the organizational providers credentialing application.

**Credentialing Organizational Providers**

1. PIHP must validate and re-validate at least every two (2) years that their organizational providers and their own directly employed direct service providers are licensed or certified as necessary to operate in the State and have not been excluded from Medicaid or Medicare participation.
2. PIHP must ensure that the contract between HealthWest and any organizational providers require the organizational provider to credential and re-credential their directly employed and subcontract direct service providers in accordance with HealthWest's credentialing/re-credentialing policies and procedures (which must conform to MDHHS's credentialing process).
3. PIHP must validate the organization's license (current unrestricted, unconditional license to practice mental health and/or Substance Use Disorder services in the State of Michigan).
4. PIHP must ensure an organization's certification (if applicable) to provide specialized services as required by the State of Michigan.
5. PIHP must ensure the organization maintains current professional liability insurance (malpractice insurance) in the amount required by HealthWest (minimum \$1,000,000 per occurrence and \$3,000,000 aggregate).

**NOTE:** HealthWest may delegate to its accredited Providers the responsibility for compliance and monitoring of their employees and/or subcontracted providers including Licensed Independent Practitioners and may request use of HealthWest methods/tools.
