I. POLICY

It is the policy of HealthWest, as a Certified Community Behavioral Health Clinic (CCBHC), to expand our service array and service access through formal relationships with Designated Collaborating Organizations (DCOs).

II. APPLICATION

Applies to all HealthWest contracted Designated Collaborating Organizations (DCOs).

III. SCOPE OF SERVICES

- A. DCO is an entity that is not under the direct supervision of the CCBHC (HealthWest) but is engaged in a formal relationship through the execution of a signed DCO agreement.
- B. DCO will operate under all the same requirements of the CCBHC and will be appropriately credentialed as an organization. Persons receiving HealthWest services from DCO personnel under the contract are HealthWest recipients.
- C. DCO must follow all HealthWest, Federal, State, and CCBHC policies, procedures, guidelines, and practices, including requirements for confidentiality and data privacy.
- D. DCO must follow the grievance procedures of HealthWest. All consumers served by the DCOs must have access to grievance procedures for services provided by the DCO, and the DCO must accommodate the outcome of the HealthWest grievance process.
- E. Eligibility for CCBHC services through a DCO must be reviewed and approved by HealthWest. This will occur through the CCBHC Recipient Enrollment, Assignment, and Disenrollment processes outlined in the Michigan Certified Community Behavior Health Clinic Handbook.

IV. PROCEDURES

- A. Credentialing and Privileging

1. DCO providers that furnish services under arrangement with HealthWest must be legally authorized in accordance with Federal, State, and local laws, and act only within the scope of their respective State licenses, certifications, or registrations and in accordance with all applicable laws and regulations, including any applicable State Medicaid billing regulations or policies.
2. DCO must have the necessary certification, license, and/or enrollments to provide services under their DCO agreement.
3. The staff providing CCBHC services within the DCO must have the proper licensure for the services provided. HealthWest will credential each DCO staff intended to provide services within the DCO and maintain personnel files in the same format as if the staff were employees of HealthWest.
4. DCO providers shall adhere to the following HealthWest/MDHHS Licensure and Credentialing policies and procedures listed below:
 - a. #02-026: Credentialing and Re-Credentialing Requirements
 - b. #10-004: Credentialing and Re-Credentialing of Providers
 - c. MDHHS Credentialing and Re-Credentialing Processes

B. Staff Training and Development

1. DCO staff who have contact with HealthWest consumers and their families will receive all required CCBHC trainings from HealthWest, which satisfies and includes requirements of the State Behavioral Health Authority and any accreditation standards on training which may be required by the State. The trainings must address at a minimum:
 - a. Cultural Competence
 - b. Person-Centered and Family-Centered Care
 - c. Recovery-Oriented, Evidence-Based, and Trauma-Informed Care
 - d. Primary Care/Behavioral Health Integration
 - e. Risk assessment, suicide prevention and suicide response
 - f. Collaborating with families and peers
 - g. Military culture
2. Cultural Competency training shall reflect the diversity within the population being served.
3. DCO providers shall assure all staff complete the trainings listed on the DCO Required Training Grid (attached). HealthWest will ensure each DCO has population specific trainings assigned to their staff upon initiation of their contract.
4. DCO providers shall adhere to the following HealthWest policies, procedures, and guidelines listed below:
 - a. #11-003: Orientation: Addressing Educational Needs of Persons Served
 - b. #11-006: Assuring Appropriate Accommodations
 - c. #10-007: Provider Compliance with Michigan Mental Health Code/MDHHS- ORR Recipient Right Requirements

- d. #10-009: Environment of Care
- e. #06-026: Person-Centered Planning
- f. #06-027: CCBHC Services for Members of the Armed Forces and Veterans

C. Accountability for Services

1. All services provided by DCOs must be person and family-centered, and respectful of the individual consumer's needs, preferences, and values, with both consumer involvement and self-direction of services. Services to children and youth must be family-centered, youth-guided, and developmentally appropriate.

DCO providers shall adhere to the following HealthWest/MDHHS policies, procedures, and guidelines listed below:

- b. MDHHS Family-Driven and Youth-Guided Policy and Practice Guideline, (attached)
2. HealthWest will maintain clinical oversight of CCBHC services provided by DCOs, ensuring that all clinical parameters required of a CCBHC are met. This will be accomplished through a thorough onboarding and orientation process for new DCOs, periodic site visiting/monitoring, chart reviews, and routine provider relations meetings.

DCO providers shall adhere to the following HealthWest policies, procedures, and guidelines listed below:

- a. #10-003: Contracted with New Service Providers, Compliance, and Site Reviews
- b. #10-005: Provider Conflict of Interest
- c. #10-006: Provider/Contractor Business and Financial Status
- d. #10-014: Monitoring of Ownership and Control Interests of Providers for Exclusion from Participation in Federal Health Care Programs
- e. #11-001: Experience of Care Surveys

- f. DCO compliance with all accountability for services as outlined in the HealthWest/DCO Contract regarding contract management, site visiting/monitoring of contract compliance, and chart reviews.

D. Clinical Documentation and Responsibilities

1. HealthWest maintains clinical responsibility for services provided by the DCO.
2. Each DCO will collaborate with HealthWest on care coordination activities to ensure optimal access to care for each individual, including primary, preventive, and specialty care services.
3. DCOs will have explicit provisions for ensuring all employees and interpreters understand and adhere to confidentiality and privacy requirements application to the service provider, including but not limited to the requirements of the Health Insurance Portability Act (HIPAA) (Pub. L. No. 104-191, 110 Stat. 1936 (1996)), 42 CFR Part 2, and other Federal and State laws, including patient privacy requirements specific to the care of minors. 3.B.4. Designated DCO Lead Role
The CCBHC must have a designated DCO Lead to ensure all DCO requirements are being met as outlined in Chapter 3 of the CCBHC handbook. The DCO Lead can be a new or existing CCBHC team member and have other responsibilities or roles within the organization. The following oversight must be provided by the CCBHC through a DCO
4. DCO providers shall adhere to the following HealthWest policies, procedures, and guidelines listed below:
 - a. #06-022: Service Entry Process for Adults and Children with MI, I/DD, and SUD
 - b. #12-012: Suicide Assessment and Intervention
 - c. #12-002: Person-Centered Planning Policy Practice Guideline.

 - d. #06-025: Telemedicine/Telehealth
 - e. #10-011: Clinical and Support Services Documentation
 - f. #06-011: Coordination of Care with Primary Care Physician from Intake through Discharge
 - g. #12-013: Relapse Prevention and Wellness Planning after Psychiatric Admission
 - h. #05-003: Records Retention

E. Financial Responsibilities

1. HealthWest maintains financial responsibility for services provided by the DCO.
2. DCO encounters will be treated as HealthWest encounters for purposes of the CCBHC Prospective Payment System. Payments for DCO services will be provided directly to the DCO from HealthWest based on agreed upon contractual service rates, as evidenced in Attachment B of the HealthWest/DCO Service Contract.
3. DCO will have safeguards in place to ensure duplicate payments are not received for services that are included in HealthWest's Prospective Payment System rate. If there are cases where certain third-party payors may not allow HealthWest to

bill on behalf of the DCO, the DCO must provide any payment received from the third-party payor to HealthWest.

4. DCO providers shall adhere to the following HealthWest policy and procedures listed below:
 - a. #03-001: Procedures for Front Desk Insurance Checks and Change of Demographic Information

F. Reporting Requirements

1. DCOs will participate in the collection of CCBHC Reported Measures. The specific Core Measures that are required of the CCBHC will be required of the DCO. HealthWest will attempt to build these into required components of our Electronic Health Record to promote efficiency and compliance.
2. DCO providers shall adhere to the following HealthWest/MDHHS policies, procedures, and guidelines listed below:
 - a. #05-023: HIPAA Privacy and Security
 - b. #05-025: Data Collection, Utilization, Monitoring, and Reporting
